

**27V530T**

27" (Diagonal) Stereo Television

Features	Benefits
Component Video Input (Y Pr Pb) on rear allows a single device with Y Pr Pb outputs (such as a DVD player, or a satellite receiver) to be connected.	Improves video quality by separating the signal into 3 video connectors. Provides more vibrant, sharper images compared to single video inputs.
Connections for 2 rear L+R+V devices (when Component Video input unused), plus 1 set of front L+R+V inputs. A rear L+R+S-Video can be substituted for L+R +V input.	Simplifies connecting other devices such as a game system, digital camera, or VCR. Stereo audio outputs offer selectable fixed or variable output.
Wide Band Video Amplifier	Premium-engineered chassis includes high-resolution performance-grade video amplifier for improved picture quality.
Digital 3-Line Comb Filter	Separates black-and-white detail from color information to virtually eliminate edge crawl and rainbow effects while enhancing picture resolution.
Sound Logic™	Provides consistent volume levels throughout programming & channel changes. Eliminates annoying "blast" of sound during some commercial breaks.
On-Screen Channel Labeling	Provides on-screen channel names for helpful visual information for 6 seconds. Allows user to customize up to 70 channels w/6 characters + 3 numerics.
KidPass™ - Parental Control	Allows predetermined viewing time (up to 16 hours per day) to be set in 30-minute increments with a password. Allows daily setting over 7 days.

27V530T

Technical Specifications :

BRAND	
Brand	RCA
PICTURE	
Screen Size - diagonal (inch)	27
Category	Table TV
Aspect Ratio	4x3
Screen Type	Optimum Contrast
Adjustable Color Temperature	Cool, Normal, Warm
Auto Color Balance (AKB)	Yes
Auto Color Control	Yes
Comb Filter	Digital 3-Line
BlackStretch Circuitry	Yes - Dynamic
